

## **Youth Advisory Council (YAC)**

### **Purpose:**

The YAC was established to develop and implement a system of changes that support youth with special health care needs and other disabilities to transition to all aspects of adult life including health care, work and independence.

### **Membership:**

Youth and young adults (14 - 24) serve as advisors to the CSHN program by representing the voice of youth living with a chronic health condition or disability.

### **Meeting dates:**

The council currently meets 4 times per year.
